

REMARKS

The attached electronic text copy of the Sequence Listing includes no new matter that goes beyond the original application as filed. Furthermore, the above amendment, which merely directs the insertion of the paragraph that incorporates the text copy of the Sequence Listing filed electronically via EFS-Web, includes no matter that goes beyond the original application as filed. Applicant respectfully submits that the above-identified application is now in compliance with 37 C.F.R. §§ 1.821-1.825 and WIPO Standard 25.

Respectfully submitted,  
SEED Intellectual Property Law Group PLLC
